DATE: 7 February 2001

Certification Pursuant to 37 C.F.R. 1.97(e)

The references identified below and as part of this Statement were cited in an International Search Report from the European Patent Office Acting as the International Searching Authority in a counterpart PCT patent application, not more than three months prior to the filing of this statement. A copy of the International Search Report dated 11 January 2001 in the counterpart International patent application is attached hereto.

The Examiner is respectfully requested to review the references identified herewith and make them of record in the instant application as required by M.P.E.P. §609.

The references listed in this Information Disclosure Statement comprise the most pertinent prior art known to Applicant and his attorneys as of the date hereof. This Information Disclosure Statement should not be construed as a representation that the cited references are material or that no better art exists.

The Examiner is requested to initial one copy of Form 1449 and return same to the undersigned.
